

Kristjan Jansen

Hola, I am a user experience designer, engineer and educator. I used to work for Skype and Taxify / Bolt. I am currently building an interactive learning environment Fachwerk. Contact me kristjan.jansen@gmail.com or [+372 5016439](tel:+3725016439).

Career

2018-2019	Data visualizer and UX engineer in <u>Taxify/Bolt</u> data science team
2018	Data visualizer and UX engineer in <u>Sixfold</u> frontend team
2016-2019	Production lead in <u>DesignSTEM / Fachwerk</u> educational project
2016-2017	Data visualizer and UX engineer in <u>Proekspert</u> R&D team
2014-2015	Design lead in <u>Jumia Porto Tech Center</u> , Portugal
2012-2018	Design and technology teacher in Kuressaare Vocational School
2005-2008	Senior interaction designer and release design lead in <u>Skype</u>
1998-2005	Art director in Estonian daily newspaper "Õhtuleht"
1998-2018	Founder, developer and designer of Estonian biggest travelsite <u>trip.ee</u>

I have also worked on improving the user experience on many other projects, including **universities** (Tartu University), **startups** (Daily Perfect, Station, VTV), **telecommunications** (EMT), **ecommerce sites** (Hewlett-Packard, Hansapost, Klick), **nonprofit organizations** (Keskkonnateated, The Happyness Bank, Municipality Tools, Praxis, Open Data Estonia) and **open source projects** (Drupal).

Education

2014	Tartu University, bachelor degree in Business Administration, Estonia
2010	Exchange student in Social Sciences, São Paulo University, Brazil
1995	Tartu Art University, graphic design, Estonia
1994	Hugo Treffner Secondary School, Estonia

Workshops and courses
